

INSTRUCTIONS:

First, colour the canopy however you like!
This is your chance to get creative.

Now cut out both wagon pieces and wheels. Fold along the dotted lines to begin forming the wagon.

Glue tabs to the inside of the wagon bed

Fold and glue the seat as shown above

Curl the canopy and glue onto the tab

Pinch the axles and secure the base to the bottom of the wagon bed with glue

Choose your favourite Stampede wheels, or turn them over and create your own design! Finish by gluing the wheels to the hubs.
